

The marketing media you choose is a direct reflection of your company. Properly designed, it communicates to clients that your organisation is credible, trustworthy but above all professional.

PC Mann Design can provide you with a creative and professional Corporate Identity Package that will help set you apart from the rest.

Simply tell us what you would like your Corporate Identity to communicate and, working together, we will refine your brief until you are completely satisfied with your new Corporate Identity.

Our Corporate Identity Package includes:

- **Brochure and Business Card Design**
- **Printing and Postage**
- **Website and Email Hosting**
- **Website Design**

Brochure and Business Card Design

Once we have designed your new Corporate Logo it can be incorporated into stylish, professional brochures, business cards and letterhead.

Printing and Postage

We are able to offer competitive printing quotations and arrange for your package to be couriered directly to your office.

Alternatively, we can email your new designs to you in a format compatible with a printer of your choice.

Website and Email Hosting

We can provide: -

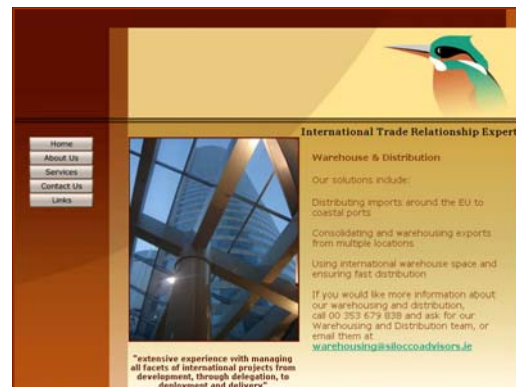

Registration of Domain and hosting of a 5 page website (e.g. www.yourcompanyname.com).

Full set up and hosting of POP 3 Email accounts (e.g. yourname@yourcompanyname.com)

Website Design

We provide a fully operational website in a choice of 4 layouts incorporating your new Corporate Identity.

Our websites are attractive, easy to navigate and fast to download.
